

Identifying Components of the Introduction to Protein Structure Suitcase

1. Zinc Finger Folding Activity
2. 15 Tacks and a 4' Toober
3. Molymod© Amino Acids
4. α -Helix/ β -Sheet Construction Kit
5. Zinc finger model
6. GFP model
7. Water Cup©
8. α -Helix with sidechains model
9. β -Sheet model
10. β -Sheet with sidechains model
11. β -Globin model
12. α -Helix model
